All business completed the meeting was adjourned at 7:00 P.M.

Respectfully submitted,

ELOISE W. PRATT, Town Clerk
Serving the unexpired term of
Mary Pratt.

SELECTMEN'S REPORT

The first meeting of the Board of Selectmen for the Town of Clarendon was held March 5, 1970.

Reginald Wilson was appointed Chairman of the Board, and Mary H. Pratt as clerk.

The following officers were appointed for the ensuing year:
Fence Viewers—Richard Pratt, Russell Powers, Henry Potter.

Pound Keeper—Norman Bowen

Weigher of Coal—John Pratt

Inspector of Wood, Shingles, etc.—Howard Pierce

Health Officer and Fire Warden—recommended by Selectmen and appointed by the State—Alan Burr and Bernard Gregory.

George Holden was appointed by the Selectmen to act with the State Department of Social Welfare as Town Service Officer for one year.

The month of May was a sad time for all of us, due to the death of the following dedicated and knowledgeable public servants.

Mary H. Pratt who was serving her 23rd year as Town Clerk. She had also served us as Town Treasurer. Percy Teer who was serving his 22nd year as Selectman. He had also served us as Lister. Their experience and vast knowledge of Town affairs will go unsurpassed.

Other former Town Officers, Mr. Harold Johnson who served in various offices passed away in April and Charles Ruane who was also a Town Officer for many years passed away in February.

Eloise Pratt who was Assistant Town Clerk at the time of her mother-in-law's death consented to fill this position and let the office remain in her home, and we were very fortunate to have Frederic Greenwood fill the unexpired term of Percy Teer.

The Town roads were inspected by Selectmen, Road Commissioner and the District Highway Engineer. The raising of the road bed on the Flats Crossroad prevented the usual flooding of the highway in this area. Improvements were also made to the Creek Road-SA-2 for 1/2 mile, in preparation for black top. There was also improvement and widening in the area of the Bean Hill Road.

Respectfully submitted,

REGINALD C. WILSON

JOSEPH RAICHE, JR.

FREDERIC M. GREENWOOD

REPORT OF THE SCHOOL DIRECTORS AND THE SUPERINTENDENT

The new elementary school has been in use now since September. The teachers and pupils have had to adjust themselves to this new facility and are now beginning to adapt to the new situation.

Our enrollment has steadily increased since the opening of school and has now reached a total of 280 pupils. Several of our grades are very large and we shall have to add more teachers another year to handle the increase.

The school bonds have now been sold to the Vermont Municipal Bond Bank at a favorable rate of interest. The first payment of principal and interest will come due in 1971. As we provided the money for payment in the present year's budget, we will set this aside for next year. The \$10,000 on the debt plus the \$22,000.00 in this year's budget minus the interest charges on the notes will be set aside towards this payment.

As required by law, the School Directors have warned the annual school district meeting and included articles on the kindergarten and the sum of money (\$190,000) requested to operate your schools for the next fiscal year. Also they have asked for a vote on buying a piece of property near the school and selling two school buildings and land.

The budget for the next fiscal year shows an increase in tuition costs because there will be approximately 93 Clarendon pupils attending high schools. This is an increase of 13 over the number during the present year. The other large item is for teachers' salaries and the increase is due to the need for more teachers next year to handle the increased enrollment.

The total budget request for the next school year is \$277,200.00. This amount is very nearly the same as this years budget.

CLARENDON FIRE ASSOCIATION

Our membership, as of October 1, 1970, was 38 members. This figure changes from time to time as members move out of town or do not renew their membership. However, new members are welcomed to our association, keeping the membership fairly constant.

A 45-hour Firemanship Course was completed in the Spring of 1970 by six members of our Fire Department. This taught new firemen the science of fire, use of ladders, hose layouts, pumps, relays, entry, ventilation, rescue and other knowledgeable information useful to a good fireman. Five firemen attended the Vermont State Fire Fighters Association Fire Academy at Norwich University on August 22 and 23, 1970. Those who attend this academy find their training useful in our Fire Department. Training locally consists of practice with our trucks, familiarizing firemen with our equipment and procedures.

Our Fire Department attended the 81st Annual Vermont State Fire Fighters Association Convention held in Rutland, Vermont on August 8 and 9. All members of our Department are very proud to report that for the second year in a row, they returned home from the convention with a trophy for "The Best Appearing Marching Unit" (In State). In addition, two first place trophies out of a possible four in sporting events were awarded to the Clarendon Fire Department.

The Clarendon Fire Association still sponsors the local Boy Scout Troop. The fire house meeting room is used for their meeting place and activities. In addition to this, the meeting room has been used by the Town Planning Commission; a flight school; plus activities and meetings directly associated with the Fire Department.

A committee of five men, 2 trustees and 3 firemen was formed in mid-summer to gather and study information on the costs of purchasing a replacement truck chassis for our North Clarendon tanker which is 24 years old. They reported prior to October 1st that the costs of a good used chassis were high and recommended purchasing a new cab and chassis when the time came. This committee was for the truck only. The type tank to be built was decided more recently.

The Clarendon Volunteer Fire Department answered 14 calls (October 1969—October 1970). The breakdown is: mutual

aid, 3; grass fire type, 3; vehicle, 3; structure or mobile home, 3; miscellaneous, 2.

It is impossible to count the hours, mileage, and personal costs that the members of the Clarendon Volunteer Fire Department contribute just in training, attending meetings, or answering alarms. The Townspeople of Clarendon can be proud to have a Fire Association of this type within the bounds of their community. You have shown us your thanks in past years by answering our requests by a most gracious vote. This year we are asking the Town to donate \$2,500.00 toward our support. We trust you will find us worthy of this amount and support us on Town Meeting Day.

Respectfully submitted,

JOSEPH RAICHE, JR., President

STUART BLACKLOCK, Fire Chief

REPORT OF TOWN OF CLARENDON PLANNING COMMISSION

The Town of Clarendon Planning Commission hereby presents an account of their activities for the year 1970.

The planning commission consisting of nine members has held meetings on the average of twice a month. With the assistance of Russell Morgan of R.R.P.C. they have drawn up a set of goals and objectives for town planning, making of maps and guidelines for future planning.

Public meetings, hearings and notices as required by law have been held.

Anyone seeking information may contact Chairman, Fred Greenwood, Town Clerk, Eloise Pratt, or Clerk, M. Byrne.

Respectfully Submitted,

M. BYRNE, Clerk

**VERMONT STATE DEPARTMENT OF HEALTH
ANNUAL TOWN REPORT, 1970**

This is a report to the residents of your town describing the health services which have been rendered during the state fiscal year July 1, 1969 through June 30, 1970. These services are carefully planned so that maximum benefit may be gained from each tax dollar. For instance, one clinic may serve many towns if the number of patients is small. On the other hand, when a service is needed in a town or city, we make every effort to provide it.

I invite you to discuss this report with your friends and health officer and I would welcome any impressions which you care to forward to me.

The following is a list of some of the health services to the residents of Clarendon.

Number of Well-Child and School Medical Conferences, and Immunization Clinics held in this town	3
Attendance of town residents at above conference/clinics in this or nearby towns	186
Number of children given pediatric consultation or hospital diagnostic service	—
Number of children served at the child development clinic	2
Number of children aided at handicapped children's clinic for speech, hearing, orthopedic, plastic, neurological or cardiac problem	7
Attendance at dental health and brushing classes, and dental inspections	355
People X-rayed for tuberculosis detection	16
People X-rayed for occupational diseases	10
People served at tumor clinics	—
Attendance at diabetes clinics or physician office screening for diabetes	8
Attendance at glaucoma screening clinics	—
Attendance at amblyopia screening clinics (3-5 yr. olds)	1
Diphtheria, Tetanus, Whooping cough immunizations	10
Polio Immunizations	5
Smallpox Immunizations	10
Red Measles (rubeola) Immunizations	—
Rubella (German measles) Immunizations	140

Number of water samples (private & public supplies)	43
Blood specimens tested (pre-marital, pre-natal, & other)	30
Other laboratory specimens	32
Nutrition and dietary consultations, demonstrations, services	1
Inspections and consultations to hospitals, nursing homes, homes for the aged, and home health agencies	—
Sanitary inspections & consultations to licensed food & lodging establishments and to other public & private facilities	34
Public Health Nurse visits to individuals	189
Number served by above visits	73
Other consultations, program and group service activities of Public Health Nurses	111

Commissioner of Health

**VERMONT DEPARTMENT OF SOCIAL WELFARE
Montpelier, Vermont**

TOWN OF CLARENDON

This is the third year that this Department, as a courtesy, has reported to each town and city the amounts spent and people aided in each locality under the various Social Welfare programs. This report replaced the previous annual notification to each town of the charges that had been assessed against their community for their share of State operated welfare programs. The enactment, by the General Assembly, of the Social Welfare Act of 1967, eliminated sharing in State welfare costs at the local level and, as a result, the requirement for reporting to the towns.

All of the figures reported this year are for calendar year 1970 except the General Assistance figures which are for fiscal

year 1970, that is, the twelve month period ending June 30, 1970. General Assistance is the program that was formerly operated by your Overseer of the Poor. Monthly average number of recipients is a monthly average of total people served, except in General Assistance where the count is of cases rather than total people within the cases as the latter count is not available.

Program	Amount	Monthly Average Number of Recipients
Aid to the Aged	\$ 3,440.00	6
Aid to the Blind	218.00	1
Aid to the Disabled	3,169.00	3
Aid to Needy Families with Children	19,523.00	31
General Assistance	1,707.00	9
Bonus Food Stamps	8,218.00	66

The above figures do not include money payment recipients residing in nursing homes or mental hospitals as there does not appear to be a fair way of assigning a town of residence to these people.

In addition medical vendor payments for the calendar year 1970 totaled about \$15,000,000 (more than one-third of all Department expenditures) and payments in behalf of committed children totaled over \$1,400,000 for a monthly average of over 1,550 children. No doubt, residents of your community were numbered among those who benefited by these expenditures.

Sincerely,

J. W. BETT
Commissioner
